We present our sincere greetings to you, looking forward to building new friendship through Rotary, willing to find new opportunities to be jointly performed in any possible and useful service activity.

Our District Alumni Association holds the honor to be the first one to have been launched in Argentina.

There are 83 members who already share reconnection within our active organization, maintaining regular synchronic get together in the internet, in our own space specially created at [www.facebook.com](http://www.facebook.com) under the name of "ASOCIACION EX BECARIOS LFR D-4920 Rotary International".

Our commitment leads us to attend TRF Alumni international events. And of course local events as well, thus exchanging, learning, discussing and helping others on their path to same international program experiences as we have had in the past. As an organized group we try to design creative and effective ways to raise funds, to be later handed to District officers, as our contribution to the programs sponsored by Rotary International or else by the Rotary Foundation of RI.

Attached we present to you the last issue of our e-Bulletin "ConEXiones", intended as a vehicle for relevant news, to be distributed each year, every May and November, edited in our Spanish native language.

Therefore, as goodwill ambassadors, deeply believing in peace, world comprehension and better understanding, we invite you to contact us through our e-mail address: [exbecarios4920@gmail.com](mailto:exbecarios4920@gmail.com)

With our best wishes,

  
Fedra CARON  
Association President
